

**APPLICATION FOR THE
SUMMER INTERNSHIP IN CHEMICAL ENGINEERING**

Name: _____

Student No: _____

Class of _____

CPU Box Number or Local Address:

E-mail Address:

Telephone Number: _____

Please list in order of preference the projects that you would like to work on:

- (1) _____
(2) _____
(3) _____

If you have discussed any of these projects with the faculty members, please give the names of these faculties below:

If you already have obtained a commitment from a ChE faculty member to sponsor you on one or more of the summer internship projects, please list below the title(s) of the project(s)?

Please describe briefly any prior work experience that you have had? (Prior work experience is not needed to be selected for a summer internship).

Faculty References: (two if possible; list name and department)

(over)

Please describe briefly, why you are interested in the project you have selected as your first choice, and also what you expect to gain from this Internship.

Please attach a list of the courses you have taken at the U of R and the grades earned. You can simply photocopy grade reports or an unofficial transcript if you like.

Please return completed applications to Jennifer Condit in Wegmans 4519 by March 9th
