

Atom in Free Space - Catching a Single Photon

Prof. Gerd Leuchs
Max-Planck Inst. for Optics,
Information and Photonics
Erlangen, Germany

Dip. University of Cologne 1975.
Hab. University of Munich, 1978.

2:30 pm, Monday, October 27, 2008
Sloan Auditorium, Goergen Building
Refreshments provided

Joint Quantum Optics Seminar with Dept of Physics and Astronomy
