

FINAL AGENDA

The Institute of Optics 2020 Fall Industrial Associates Symposium

Wednesday, October 14 through Friday, October 16, 2020

WEDNESDAY, October 14, 2020: 2:00PM – 5:00PM Eastern Time

All held virtually via **REMO**—link sent to you if registered in Eventbrite.

2:00 PM – Scott Carney, Professor & Director, Inst Optics
Topic: Welcome and Institute of Optics Update

3:30 PM – Nick Kochan, SPIE Student Chapter
Topic: Welcome and Institute of Optics Update

2:15 PM – Liz Rogan, CEO of OSA and The OSA Foundation
Topic: OSA Update

3:45 PM – Carlos Stroud, Professor of Optics/Physics
Topic: Jewel in the Crown Addendum

2:30 PM – Poster Session
Topic: Welcome and Institute of Optics Update

4:00 PM – Scott Carney, Professor & Director, Inst Optics
Topic: Institute of Optics' Covid-19 Outline, MS Program, Together for Rochester (TFR) Launch

3:15 PM – Networking Break

5:00PM - 6:00PM: Networking Hour (Optional)

THURSDAY, October 15, 2020: 2:00PM – 5:00PM Eastern Time

All held virtually via **REMO**—link sent to you if registered in Eventbrite.

2:00 PM – Scott Carney, Professor & Director, Inst Optics
Topic: Welcome and Opening Remarks

3:15 PM – Networking Break

2:15 PM – Dr. Susana Marcos, Professor of Research at the Institute of Optics (CSIC); Director of the Visual Optics and Biophotonics Lab, and Co-Founder of 2EyesVision
Topic: Optical technologies in ophthalmology: from the lab to industry and into the clinic
(~25 minutes + 5 Q&A)

3:30 PM – Graduate Students Research Talks
Featuring outstanding upper level Graduate Students presenting current project updates
(~10 minutes each)

2:45 PM – Master's Students Showcase
Featuring MS students presenting educational background, work experience, and career goals.
Note: They typically expect to graduate in May.
(~2-10 minutes each)

4:30 PM – Prof. Jessica Shaw, Laboratory for Laser Energetics (LLE)
Topic: Current Research Project
(~25 minutes + 5 Q&A)

5:00PM - 6:00PM: Networking Hour (Optional)

FRIDAY, October 16, 2020: 11:00AM – 3:00PM Eastern Time

All held virtually via **REMO**—link sent to you if registered in Eventbrite.

11:00 AM – Scott Carney, Professor & Director, Inst Optics
Topic: Welcome and Opening Remarks

12:30 PM – IA Company Introductions (A-Z Order)
Topic: IA company member representative(s) updates on contact info, open positions, interview opportunities
(~1 minute each)

11:15 PM – Curtis Broadbent, Licensing Mgr, UR Ventures
Topic: Technology Transfer & Optics Intellectual Property Showcase Featuring Faculty IP
(~5-10 min each)

1:15 PM – IA Company Showcase (Random Tables Assigned)
Topic: IA company member representative(s) + Luminate cohort companies w/student interaction for Q&A leading to formal interviews
(~90 minutes)

12:15 PM – Networking Break

Please note: IA companies will be in charge of scheduling virtual interviews directly with students. See résumés for contact details.
