Study Abroad
Mechanical Engineering

Experience MCE Abroad!
For a unique, academic, personal, cultural, and professional experience for all MechE students!

What are my first steps?
• Attend an information session
• Research programs
• Meet with study abroad advisor.

Why Study Abroad?

Open your eyes to the world. Science and technology have no borders! Invest in your future by developing cross-cultural skills that will enable you to communicate with scientists anywhere in the world.

Enhance your career. Learn how to function in a culturally diverse environment early on. Develop broader skills, and ability to adapt to new environments.

Personal growth. See your culture and yourself from a different perspective. Learn to appreciate other languages and cultures, while better understanding your own cultural values.

Did you know?
You do not need to speak another language to study abroad. Many programs offer courses in English.
Some recommended programs for your major:

**England**

Bristol University
[www.bris.ac.uk/](http://www.bris.ac.uk/)

**Spain**

IES Madrid
[http://www.iesabroad.org/study-abroad/madrid](http://www.iesabroad.org/study-abroad/madrid)

**United Arab Emirates**

CIEE Sharjah
[http://www.ciee.org/study-abroad/united-arab-emirates/sharjah/](http://www.ciee.org/study-abroad/united-arab-emirates/sharjah/)

Financial Aid

Financial Aid Counselors meet with students by appointment to discuss their specific study abroad plans and financial aid eligibility.

Scholarships

There are many scholarships and loans designed specifically for study abroad. We strongly encourage you to consider applying. UR students have won these scholarships or used this aid in the past.

Getting Credit

For major or departmental credit, see:
Prof. Lambropoulos
Office: Hopeman 236
jcl@me.rochester.edu

For elective credit, consult with a Study Abroad advisor.

Also consider: Technion –Israel Institute of Technology, IES Auckland, IES Cape Town, IES Christchurch, IES Dublin, IES London, IES Sydney, Hong Kong University of Science and Technology, Australia National University, CIEE Botswana, Nanyang Technological University.
