BME Concentration Panel

On Friday November 22, 2024, BMES organized a concentration event where upperclassmen explained the coursework and how they came to choose their respective concentration. This event aimed to help underclassmen choose their concentration and ask questions. Thank you to Manuela Montes de Oca, Tina Kyriacou, Rachael Zimmerli, Jessie Wang, Jayden Allegakoen, Julia Rothschild, Lucy Du, Yeidi Yuja Vaquiz, Annika Deans, and Hannah Rickert for their time!

Internship and Experiences Event

On December 7th, BMES put together a panel to inspire students get involved in BME research at the medical center, summer research, and internship programs. Thank you to our panelists Devin Wong, Zach Greenwell, Adriana Pagan Hernandez, Ryan Chen, and Maggie Martin for sharing their experiences. After the panel, a workshop was held to help students with thier application materials and to answer questions. A special thanks to Jason Lin for helping out with this workshop!

Center for Youth

BMES collaborated with the Center of Youth to help expose high school upperclassmen to the field of BME. This included a tour of campus and a workshop pertaining to resources, student life, and applications at U of R. Thank you Dr. Hill and student researcher, Chelsea Maynard, for taking the time to give a lab tour and sharing experiences and insights!

STUDENT SPOTLIGHT

Congratulations to the newest BME members of the Tau-Beta Pi Engineering Honor Society.
