

## Opportunities for Collaboration with the Department of Surgery

Join us for some short presentations about research and clinical interests from the Department of Surgery. Faculty from divisions of Plastic Surgery, Vascular Surgery, Neurosurgery and Thoracic surgery will share some of their work and look forward to conversations with Biomedical Engineering to identify opportunities for collaboration.

**Dr. Leckenby**  
Department of  
Plastic Surgery

**Dr. Feingold**  
Department of  
Thoracic Surgery

**Dr. Hiram**  
Department of  
Vascular Surgery

**Dr. Newhall**  
Department of  
Vascular Surgery

**Dr. Mix**  
Department of  
Vascular Surgery
