

Biomedical Engineering colloquia are typically held **Tuesday mornings at 8:30 a.m.**
in **Sloan Auditorium** (Goergen Hall, Room 101) unless otherwise noted.

9/25/2025

Anita Mahadevan-Jansen, PhD
Vanderbilt University
*"Optical Diagnostic,
Neurophotonic, and Image-
guided Surgical Techniques"*

10/7/2025

Anne Nichols, PhD
University of Rochester
*"The role of the epitenon in
tendon health and healing"*

10/21/2025

Monty Escabi, PhD
University of Connecticut
*"Encoding and perceiving the
texture of sounds: neural and
perceptual strategies for
recognizing auditory texture
and for listening in natural
background noise."*

10/28/2025

Drs Mix, Leckenby, Newhall,
Hirad, & Finegold
URMC Department of Surgery
*"Opportunities for
Collaborations with the
URMC Department of
Surgery."*

11/11/2025

Antonia Zaferiou, PhD
Stevens Institute of Technology
*"Turning towards
understanding and improving
human agility and mobility"*

11/18/2025

Lin Zhang, PhD
University at Buffalo
*"Conformable ultrasound
electronics: from design
strategies to healthcare
innovation"*

11/4/2025

Haiqing Bai, PhD
Xellar Biosystems
*"Human Organ Chips for
disease modeling, drug
testing, and personalized
medicine"*

11/25/2025

BME Graduate Program Alumni
Review

12/02/2025

Nimmi Ramanujam, PhD
Duke University
*"Impact of Biomedical
Innovations for Women's
Health"*

Zoom Webinar ID: 957 4592 2834 Passcode: BME@UR
Zoom Webinar Link: <https://rochester.zoom.us/j/95745922834>

* BME graduate students may only use the Zoom if previously approved by Professor Lalor.
