

Opportunities for Collaboration with the Department of Surgery

Join us for some short presentations about research and clinical interests from the Department of Surgery. Faculty from divisions of Surgical Oncology, Vascular Surgery, Endocrine Surgery and Neurosurgery will share some of their work and look forward to conversations with Biomedical Engineering to identify opportunities for collaboration.

Dr. Cole
Surgical Oncology

Dr. Caprizo
Surgical Oncology

Dr. Stone
Neurosurgery

Dr. Moore
Endocrine Surgery

Dr. Mix
Vascular Surgery

Tuesday, January 20, 2026 | 8:30am EST | Goergen Hall 101
