UNIVERSITY *of* ROCHESTER

## 3-DAY VIRTUAL SYMPOSIUM 2021 SPRING INDUSTRIAL ASSOCIATES Wed., March 17, 2021 → Fri., March 19, 2021

We cordially invite you and your colleagues to join the faculty, staff, and students of The Institute of Optics for the virtual 2021 Spring Industrial Associates Symposium.

- Get an update from our Director, P. Scott Carney;
- Collaborate with faculty and researchers at The Institute working at the cutting edge of a vast array of optical sciences and technologies;
- Participate in the streamlined opportunity to highlight your company and network with students in the Company Showcase;
- View and hear MS student presentations, Graduate research talks, and our Poster Session;
- Network with your colleagues from other IA member companies;
- Interview and forge relationships with some of the best and brightest optics students and graduates in the country.

The IA Program & Resource Guide will be available online beginning Mon., March 15, 2021. To view, please go to:
