

How to Attend Photon Camp

1. Complete the application (<http://www.optics.rochester.edu/about/photon-camp.html>)
2. Complete permissions and liability release form.
3. Create a personal statement of approximately 300 words or less describing our interests and future ambitions.
4. Ask a teacher for a letter of recommendation (math or science teacher preferred).
5. Submit the following documents to Cynthia Daher:
 - a. Application
 - b. Permissions form
 - c. Personal Statement
 - d. Letter of recommendation
 - e. Transcript
6. Above documents are due to Cynthia no later than 5pm on May 15, 2024.
7. Documents must be submitted via email to Cynthia at cdaher@ur.rochester.edu.
8. Photon Camp is geared towards rising Juniors and Seniors with a background in math and physics.
